## VOLUNTEER APPLICATION FORM

### Our Mission

At Tennis Foundation Ghana, we believe that the sport of Tennis is best understood and played in conjunction with an academic and developmental component via peer education. To this end, we encourage volunteers to spend at least two weeks in Ghana to assist with our various initiatives. Young women and men who volunteer with Tennis Foundation Ghana will teach English language and literature to Ghanaian children in informal settings, in collaboration with participating summer schools. Volunteers will also have the opportunity to assist with our Tennis Camp. All volunteer participants will be placed with a host family for the duration of the program, starting August 10 and ending August 25, 2018.

### Cost & Other Requirements

Cost for room, board and local transportation for the two-week program is \$1,400. Volunteers are responsible for purchasing their own airfare. Volunteers are also expected to bring a case of new tennis balls with them to contribute to the program.
